ABOUT ME

Let me introduce myself a little. I am a developer with experience in working in the GDSC-UE and services, Skilled in MERN Stack Development. Experience in developing applications with a B. Tech focused in Computer.

WORK EXPERIENCE

- OCT 2022 - Present

GDSC-UE Web-lead

By joining GDSC-UE,i grow my knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community. It was an great platform to show my technical skills in practical field.
- OCT 2021- JUN 2022

Teaching

For Eight month of Experience in teaching at West Bridge School Thokar Niaz Bag i have learned how to show your knowledge in practical field. It was an great opportunity for me to deploy my skills.

EDUCATION

- 2019 - Present

University of Education Township Lahore

With my study i have learned different Technologies: HTML, CSS, BOOTSTRAP, JAVASCRIPT, REACT, NODEJS, EXPRESSJS, MONGODB.
- 2017 - 2019

Punjab College Bahria-Town Lahore

During this period i have explored different technological fields for my career and finally i hava selected IT for my future career and later on i explore my intrest by getting informamtion from my teachers and friends.
- 2015 - 2017

Govt High School Shamky-Bhattian Lahore

A 2-year degree with an integrated placement year covering various functions of the technology and practical work.

PROJECTS

- BEACH_COMFORT

A beach_comfort application using REACTJS.
- GROCERY_STORE

A grocery_store using html, css, bootstrap and javascript.
- REST_APIs

Todo app REST APIs using Node.js, Express, and MongoDB.
